September 2013 | A LOOK AT OUR BOROUGH | Issue 31

Opportunities are available for residents interested in serving their community. Call the Borough office 374-2311.

Selinsgrove Borough Office 374-2311

Selinsgrove Borough Police Department 374-8655

Selinsgrove Borough Council would like to thank all the residents who have generously given their time during the year while serving on Boards, Committees, Commissions and volunteering for numerous projects throughout the Borough. Thank you for helping to make Selinsgrove Borough a better place to live, work and play.

Façade Grants Available in Downtown Selinsgrove

Property owners in downtown Selinsgrove are eligible to apply for a façade grant which is administered by Selinsgrove Projects, Inc. through the Main Street Program. This grant provides money to property owners/business owners (with property owner approval) to promote the modification of buildings which will result in a more appealing exterior of downtown Selinsgrove.

Grants are being offered through funding received from the Pennsylvania Department of Community and Economic Development's Main Street Program. The Project's motive is to create a private investment in the downtown business district restoration projects and property reinvestment.

The total reimbursement per application will not exceed 50% for the total project cost up to a maximum of $5,000. The Façade grant is proposed only for works that are not currently in progress or completed.

A total of $30,000 will be available starting June 1, 2013 and ending in the Spring of 2014. Some of the appropriate restoration projects are: exterior painting; metals and masonry; architectural elements; windows and doors; signs and awnings; and site and building enhancements. Those who are interested in applying should contact the Selinsgrove Main Street Manager at 570-541-9117.

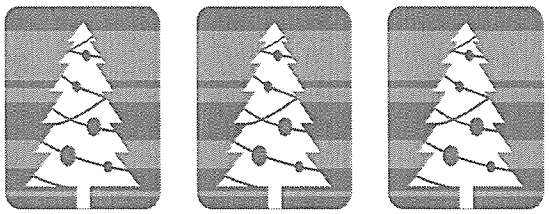
Leaf Pickup

October 28 through November 27, 2013
(or the first snowfall)
(pickup will follow the street cleaning schedule)

Leaves are to be placed along the curb, but not into the street, before 7:00 a.m. on the scheduled day for your street. Leaves may be bagged but may not include brush, twigs, branches, grass, vines, soft-stem plants, any non-vegetative matter, or other similar materials that would clog the Borough's leaf vacuum.

Live Christmas Tree Pickup

Christmas trees, which are placed along the curb, will be picked up during the first 10 working days in January. No plastic bags, decorations or other attachments (tree stands) will be picked up.



SELINSGROVE TRICK-OR-TREAT NIGHT

Trick-or-treating will take place on Thursday, October 31, 2013 from 6:00 P.M. to 8:00 P.M. Selinsgrove Borough Police Officers and Mayor Sean Christine will be handing out luminous bracelets and/or necklaces throughout the Borough. McGruff, the crime dog, will also be making his rounds during this time to meet with local children. Parents are advised to examine their children's candy and dispose of any unsatisfactory items.

Zoning Permits Required

Residents are required to obtain a zoning permit prior to excavating, erecting, altering or converting any structure.

Contact Janet Powers at the Borough Office for questions regarding a zoning permit and if a permit is required for the work being done on your property. Remember, Selinsgrove Borough Ordinance allows 30 days for review and approval of zoning permits.

PARKING PROHIBITED CERTAIN TIMES OF THE YEAR

Parking is prohibited on the South side of East Snyder Street (from North Market Street to North Water Street) and on the South side of West Snyder Street (from Orange Street to Broad Street) between November 1st and April 1st of each year. To enforce this Ordinance, "No Parking" signs are installed November 1st and removed April 1st of each year. This Selinsgrove Borough Ordinance was adopted on April 3, 1995.

Veterans Memorial

As a senior project for Selinsgrove Area High School, Cole R. Cowan of Orange Street decided to honor our local veterans with raising funds for the "Veterans Memorial" that is on display and was dedicated on Memorial Day, Monday, May 27, 2013 at the Borough Building. His project gained support from Selinsgrove Area High School, Selinsgrove Borough, VFW Post 6631 and American Legion Victory Post 25.

The following is a list of the many generous people who support all of our Veterans past and present:

Madge E. Beaver - In honor of MGy Sgt. Donald E. Beaver, USMC (Ret.)
Ron & Kay Cowan - In honor of John, Michael and George
Charlotte Gager - In memory of Robert Gager, USMC Gelnett Trust
Liz Labant - In memory of Walter F. Kaufman
Maxine D. Mitchell - In memory of her husband Aaron Mitchell and her father Harold E. Hill
Walter & Loretta VanNuys - In memory of Lehman & Rose Mengel
John Nace - In honor of John W. Nace, USAF CMSG (Ret.) and John S. Nace, MSGT USA (Ret.)

Brush Pickup
Monday, October 21, 2013

Brush, branches, tree limbs, tree trimmings (no bigger than 4" in diameter, and limited to 1 cubic yard-equal to a combined container capacity of 200 gallons) will be picked up curbside. Garden residue, twigs, vines, soft stem plants and weeds (no grass clippings, roots, dirt or soil debris, or garbage bags) must be placed in moisture-proof, open-top containers capable of permitting materials to be picked up and dumped into a truck (limit of 30 pounds/container). Items are to be placed along the curb, but not into the street, before 7:00 A.M.

Avoid Frozen Pipes and Meters

Follow these simple tips to avoid problems with frozen pipes or meters this winter:

- Don't turn the heat down too low in your basement.
- If a building will be empty, have the water turned off, the pipes drained and the water meter removed.
- Fill holes in doors, windows and walls near meters and pipes.
- Be sure heat can circulate around meters and pipes.
- Regularly check insulation for dampness. Wet insulation is worse than no insulation.

WHAT IS KIZ?

KEYSTONE INNOVATION ZONE fosters local job growth by helping entrepreneurs, newly formed startup companies, and mature companies identify and capitalize on new ideas and opportunities. Downtown Selinsgrove was just added to the KIZ zone in Selinsgrove.

If you would like to learn more, we invite you to two (2) free informational sessions with KIZ Director, Kelly O'Brien Gavin.

FOR INTERESTED PROPERTY OWNERS: Tuesday, October 22, 2013 at 6:30 P.M. in the Borough Office Community Room.

FOR THE GENERAL PUBLIC: Thursday, November 7, 2013 at 6:30 P.M. in the Borough Office Community Room.

Refreshments will be provided at both sessions.

To learn more about KIZ, please visit their website at www.gskiz.org.

If you have any questions about the sessions, please call Main Street Manager, Mary Bannon at 570-541-9117.

ARBOR DAY FOUNDATION NAMES: "SELINSGROVE TREE CITY USA"

Selinsgrove, PA has been named a 2012 Tree City USA recipient by the Arbor Day Foundation in honor of its commitment to effective urban forest management. This is the 6th year Selinsgrove has earned this national designation. Congratulations to the Shade Tree Commission on all their hard work!

PREVENTING SEWER BACKUPS

You can reduce your chance of having sewer backup damage if you:

- avoid flushing diapers, cleaning wipes, paper towels or plastic products
- minimize use of your garbage disposal and keep grease out of the drains
- disconnect floor drains and sump pumps from the sewer

Selinsgrove Borough continually improves and maintains the sewer system both to assure proper performance, and to preserve the integrity of the system for future users.

Sewers occasionally back up during dry weather; this is generally caused by Fats, Roots, Oil and Grease (FROG). Stringy materials and textiles such as cleaning wipes are often involved, too. When mixed with sewage, oil and grease from kitchen waste form hard deposits that build up inside the pipes, causing them to clog. ***Please discard all grease and animal waste in the trash, and wipe grease from cookware before washing.***

Tree roots are attracted to sewers by the abundance of water and nutrients in sewage, and will penetrate any crack in the pipe or damaged joint to get to it. Once in the pipe, the roots expand until they fill the available space.

During wet weather, sewers are subject to inflow and infiltration. Surface water enters the sewer via sump pumps, open vents and holes in the pipes; and water from saturated soil seeps into the sewer pipes through joints and cracks. The excess water overloads the pipes, and in extreme cases may cause sewage to back up and overflow from a manhole or a basement plumbing fixture.

The Borough continues to conduct an inflow abatement program to reduce wet weather overloading from downspouts, floor drains and sump pumps connected to the sanitary sewer. These connections are illegal, and will affect insurance coverage if a backup does occur.

Sump pumps must be permanently piped out of the house to the yard or to a storm inlet.

Do You Have PPL Electric?
Struggling to Keep Up with your Bill?

- **OnTrack Payment Program** - OnTrack offers affordable payments and debt forgiveness for income-qualified customers who cannot pay the full amount of their electric bills. In addition, customers are referred to other community programs and services. Contact Union-Snyder Community Action Agency at 570-374-0181 to find out if you qualify.
- **E-PowerWise Program** - Participate in a power-saving workshop to receive an energy saving kit. The kit includes light bulbs, faucet attachments, a shower head, a nightlight and an advanced power strip, among other energy saving devices, tips and tools. Contact Union-Snyder Community Action Agency at 570-374-0181 for more information.
- **Double Notice Protection Plan** - This plan may be useful to you if you are away from home much of the time, hospitalized or even just forgetful. You may arrange for an individual to receive a copy of all overdue or termination notices. This would allow the person to check with you and notify PPL Electric Utilities of any problems. Contact PPL Electric at 1-800-342-5775 for more information.
- **Automatic Bill Payment Plan** - This plan offers you an effortless way to pay your electric bill. You will receive an electric bill each month showing the amount and the due date. On the due date, the billing amount is deducted from your checking or statement savings account. You never have to worry about overdue bills or late-payment charges. You can access your program online. Contact PPL Electric at 1-800-342-5775 for more information.

IN MEMORY OF
KENNETH F. MEASE
MARCH 4, 1927 - AUGUST 7, 2013

Longtime Borough resident Ken Mease, 86, of Orange Street, passed away on Wednesday, August 7, 2013. Ken was very active in politics within the Borough serving as Mayor and was also President of the Selinsgrove Borough Council for several years.

Ken was a graduate of Selinsgrove Area High School and Susquehanna University. He was also the founder of Selinsgrove-based Selmax Corp. which manufactures custom plastic injection molds.

He served the Borough of Selinsgrove with distinction and great dedication - he will be greatly missed.

Rental Assistance

The Union-Snyder Community Action Agency, on behalf of the Sunbury Area Community Foundation and Central Susquehanna Community Foundation, has been awarded a Bridges to Housing Stability Grant to assist income eligible families with rental assistance. The families must be facing eviction, reside in the Selinsgrove School District, and meet income guidelines to qualify. For more information regarding this grant, contact Tony Korzenaski, Housing Director, for the Union-Snyder Community Action Agency at 570-374-0181. Information about Sunbury Area Community Foundation can be found at www.csgiving.org.

ADOPT-A-TREE SELINSGROVE

The Selinsgrove Borough Shade Tree Commission continues to offer the "Adopt-a-Tree" program to interested Borough homeowners. If you own a home in the Borough, and are interested in having a tree or trees planted in the grass strip or right-of-way of your home, contact the Borough Office, who will refer your name to the Shade Tree Commission. Commission members will visit your property and determine whether you have sufficient right-of-way area to support trees. We'll work with you to select appropriate, attractive trees to be planted. Commission members and volunteers will plant the tree, and you will agree to water it the first year, and care for it thereafter. Trees are being purchased with funds from the Rudy Gelnett Foundation - there is no cost to the homeowner. Join us in making your home, and your Borough, green and beautiful!

Permits Required for Excavation

Zoning Permits are required for excavation within the Borough. A general permit from DEP is also required if the excavation is within 50 feet of a stream. An earth disturbance of less than 5,000 square feet requires both a Best Management Practices and a Small Projects Erosion and Sedimentation Control Plan be filed with the Borough with an application for a Zoning Permit. For an earth disturbance of 5,000 square feet or more, an Erosion and Sedimentation Control Plan approved by the Snyder County Conservation District must be provided as part of a Land Development Plan.

BOROUGH COMMUNITY ROOMS FOR RENT

The Community Rooms can only be used by government, educational, community and non-profit organizations that serve the Borough of Selinsgrove. Community Room use is not intended for individuals. The Community Rooms are not available for commercial activities such as selling items. All activities must conform to all local, state and federal laws and regulations and must be open to the public.

The fees are as follows:

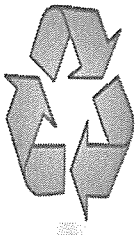
- Community Rooms, west, center, east ($60)
- Community Rooms, west, center, east with kitchen ($75)
- Community Room, west ($20)
- Community Room, center ($20)
- Community Room, east ($20)
- Community Room, east with kitchen ($35)

Please contact the Borough Office at 374-2311 if you are interested in renting one or all of these rooms.

SNOW and ICE Removal

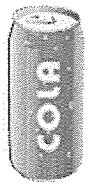
While winter snow can be beautiful and enjoyable, the arrival of winter also brings with it our annual reminder concerning every property owner's duties and responsibilities for snow and ice removal. Snow and ice must be completely removed from public sidewalks, typically within 24 hours of the end of the snowfall. Snow may not be shoveled, blown or otherwise placed into the traveled portions of a street or alley. This is a serious safety hazard and can result in a fine. Please remind anyone that you may hire for snow removal of this fact. The property owner will be held responsible for the work. The Borough Office also receives numerous complaints about property owners who do not remove snow and ice from the public sidewalks in front of their property in a timely manner. The Borough will be looking for offenders and may assess fines or have the work completed, bill the property owner for the expenses, and file a lien if unpaid. Neighbors should look out for each other and assist the elderly, who often have no assistance shoveling their sidewalks. Residents are reminded that while plowing, snowplows often back up. When following a vehicle that is plowing snow or spreading salt, remember to maintain a safe distance of at least 200 feet behind that vehicle.

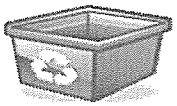
NOTICE TO BUSINESSES AND INSTITUTIONS



Recycling in Pennsylvania is the LAW as stated in Act 101, passed in 1988. It is your responsibility to report your recycling activity annually. In January of 2014 Commercial, Municipal and Institutional establishments will be receiving a "Recycling Reporting Form" in the mail for the reporting year 2013. Please complete and return the form to: Janet Powers, Recycling Coordinator, 1 N. High Street, Selinsgrove, PA 17870, by February 15, 2014. High Grade Office Paper, Corrugated Cardboard, Aluminum Cans and Leaf Waste are required to be recycled by law. All other recyclable items are also encouraged. Those items are listed on the "Recycling Reporting Form." Documentation of items will be verified by your company representative's signature on the second page of the form. If your business recycles at the Selinsgrove Municipal Recycling Center, or the Selinsgrove Center, please indicate on the form and supply a signature on the second page. Happy Recycling!

SELINSGROVE BOROUGH RECYCLES





The Borough of Selinsgrove's Recycling Center has become very popular with Borough residents. We would like to commend the residents and businesses who recycle with us as they are helping to significantly reduce the amount of product being placed in the landfill and making the current system of disposal more sustainable. Using our recycling facility comes with certain responsibilities. In order to provide an organized system for our employees and the end recycler, Lycoming County Resource Management, we must ask for your cooperation when placing items in the various roll-off containers located behind the Borough Maintenance Building at 201 West Sassafras Street. The Recycling Center consists of several roll-off containers, each intended for specific items which are indicated on the containers. A large sign is also provided which specifies what products are collectable at the site and how they must be prepared prior to collection.

The recycling center has recently added a new roll-off to take co-mingled plastics (please rinse) which include all plastics (except 1's & 2's in bottle form) like clamshells, buckets (without metal handles), yogurt cups, butter cups, lids, medicine bottles, hard plastics, PVC and industrial plastics, etc.

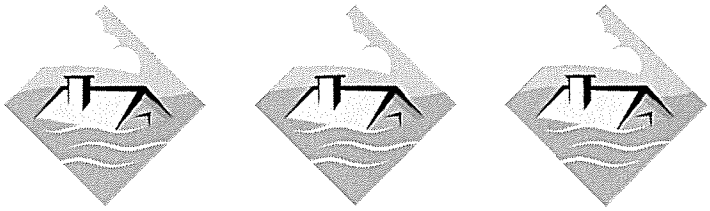
Corrugated cardboard (breakdown please) and paperboard can now be mixed together in the same roll-off.

The Recycling Center hours are 8:00 A.M. to 3:00 P.M. every Thursday except for Borough Holidays, and the first and third Saturday of each month from 8:00 A.M. to 12:00 noon. Please do not drop off items when the site is closed. Violators will be prosecuted. Our equipment and site improvements were partially funded by a DEP Act 101 Recycling Grant.

For the convenience of residents, the Borough also conducts curbside pick-up for four recyclable items on the last Wednesday of each month. Uncovered buckets or plastic bins for this purpose are to be placed at the curb before 8:00 A.M. on the day of pick-up. The items collected through this service are aluminum beverage cans, clear glass bottles and jars; brown glass bottles and jars; and green glass bottles and jars. Bottles and jars must have the lids removed and all items must be rinsed out. If items are not properly prepared and placed in separate bins according to item type, they will not be picked up.

National Flood Insurance Participation

The Borough continues to participate in the National Flood Insurance Program and the Community Rating Service, which requires the community to re-certify annually. The ongoing enforcement of Flood Plain Regulations and the continuous record keeping by the Borough Zoning Office has resulted in the Borough obtaining the highest CRS rating, a Class 7, in Snyder County. The Class 7 rating entitles Borough residents to a 15% reduction of flood insurance premiums for those in the flood plain and a 5% reduction for residents not located within the floodplain. This reduction may, or may not be reflected on your premium statement. You can contact your insurance agency to verify that you are receiving the appropriate discount. Any home located within the Borough can be covered by National Flood Insurance, the home does not have to be located within a designated Flood Plain. There is a 30 day waiting period for flood insurance coverage to take effect, so don't wait until the next flood to insure your home.



Update on Floodplain Recovery

Home owners on the Isle of Que have been busy since the September 8, 2011 flooding from Tropical Storm Lee. To date five (5) existing homes have been elevated at or above the Regulatory Flood Elevation as required by flood plain regulations. One (1) new home has been built to the required elevation and is occupied. Four (4) flood damaged homes have been demolished. One of the demolished homes is currently being replaced with a new elevated home. Unfortunately, there are still a few previously flooded homes that are unoccupied with no apparent progress being made toward restoration. We currently have two homes that may be eligible to elevate through a FEMA/PEMA grant that is still pending resolution.

FLOOD AWARENESS

Local Flood Hazard - Properties within Selinsgrove's Floodplains are subject to three types of flooding:
Overbank Flooding: The major flood problem facing Selinsgrove is due to flooding of the Susquehanna River. The flooding is usually caused by storms covering a large portion of the Susquehanna River Valley upstream of Selinsgrove. Rapid snow melt and ice jams can add to the problem. Advanced flood warnings are generally available for large stream flooding. Penns Creek is also subject to flooding from the same causes, but with shorter advance notice.
Local Drainage Problems: Segments of Broad Street, Liberty Alley, and North High Street at Snyder are several of the areas in which storm water collects and cannot drain quickly, causing them to be inundated during downpours.
Sewer Back-Ups: When the lower portions of the Borough drainage system become inundated, sewers back-up and flow to the lowest openings, which are basements for sanitary sewers, and streets for storm sewers.
The Flood Warning System - Selinsgrove's flood warning system has many components. The Snyder County Emergency Management Agency and Communication Center conducts 24-hour monitoring of weather reports and river forecasts from the National Weather Service and Mid-Atlantic River Forecast Center. The Communications Center and National Weather Service issue flood watches and warnings for the Susquehanna River and smaller streams. Residents are advised of possible flooding events through local radio stations Emergency Broadcast Systems (EBS). In some areas, firemen, Borough employees, and/or police go door-to-door to alert residents. Unnecessary risks to rescue personnel can be avoided if residents promptly evacuate when notified by officials.
Flood Insurance - Standard homeowner's or renters' insurance policies do **not** cover losses due to flooding. Selinsgrove participates in the National Flood Insurance Program (NFIP), so any property owner in Selinsgrove Borough can obtain federally-backed flood insurance. Flood insurance is available through insurance carriers to property owners for buildings and contents, and to tenants for personal property. For homes located in flood prome areas and purchased with federally-backed mortgages, flood insurance may be required. Information about flood insurance and rates can be obtained from insurance agents. There is a 30-day waiting period before flood insurance policies take effect. Selinsgrove is working to continue discounts to flood insurance policies through the Community Rating System (CRS) Program.
Property Protection Measures - Every year flooding causes more property damage than any other type of natural disaster. In order to reduce flood losses, businesses and residents can take the following precautions: **1.** Organize inventory for speedy removal to higher locations within a facility or off-site. **2.** Install closures to prevent water backups through drains. **3.** Elevate buildings above flood levels. **4.** Relocate furnaces and electrical panels to higher floors.
For help making the decision on what you, as a property owner, should do to prepare for flooding check out the information or FEMA publications located in the Borough Office. FEMA publications are also available at the Gelnett Public Library.
Floodplain Development Requirements - Development in the floodplain must comply with the Borough Floodplain Ordinances. If any work is to be performed in any flood hazard area, contact the Borough Code Office. To find more information on flood precautions or floodplain development requirements, contact the Borough Office, or visit the Borough's website at www.selinsgrove.org.

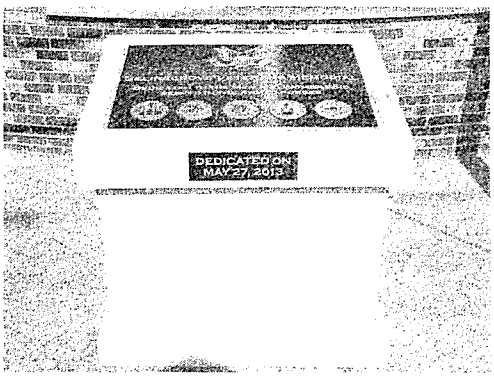
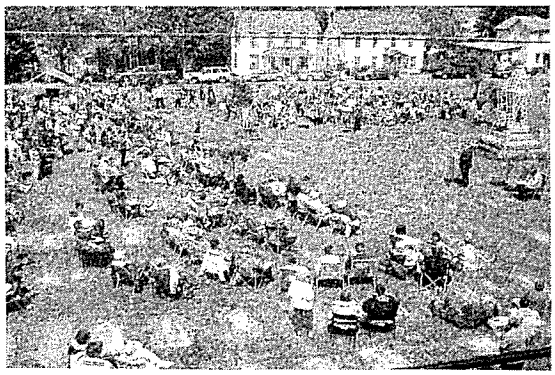
DEDICATION OF THE VETERAN'S MEMORIAL
AND
RE-DEDICATION OF THE GOVERNOR SNYDER MONUMENT
MONDAY, MAY 27, 2013




The dedication of the Veteran's Memorial saw an estimated 150 people in attendance while the re-dedication of the Governor Snyder Monument saw an estimated 350 people in attendance. Mother Nature cooperated with a very favorable and comfortable morning. The Middle School Band performed at both services and did an outstanding job. Many thanks go out to everyone involved!
