

2024 Recycling Schedule: Selinsgrove Borough Residents

1 North High Street, Selinsgrove, PA 17870

Recycling is something that can be a part of your life each day. The residents of Selinsgrove Borough are fortunate to have a recycling drop-off facility accessible in this very community. In addition to the recycling drop-off at 219 West Sassafras Street each **Thursday from 8AM—3PM** as well as the **first and third Saturdays of each month from 8AM—Noon**, all Selinsgrove Borough residents can take part in the following recycling opportunities.

Curbside pickup is done in front of your street address only.

Aluminum and Glass Pickup

Last Wednesday of Each Month
(items must be placed at curbside **prior to 8:00 A.M.**)

ALL ITEMS MUST BE RINSED OUT WITH THE CAPS REMOVED

1. Aluminum Beverage Cans (typically soda & beer cans)
2. Clear Glass—Bottles & Jars (no candle jars, plates, or drinking glasses)
3. Blue/Green Glass—Bottles & Jars
4. Brown Glass—Bottles & Jars

Glass must be separated by color or the recycler will not pick them up.

Place items in any solid, open-top container.
Selinsgrove Borough no longer has containers available.

DO NOT USE PLASTIC OR PAPER BAGS.

LIVE CHRISTMAS TREE PICKUP

Christmas trees can be placed along the curb to be picked up during the **first 10 working days in January**.
(January 2—15)

No plastic bags, decorations, or other attachments (such as tree stands) will be picked up.

LEAF PICKUP

OCTOBER 21 through NOVEMBER 27, 2024
(or the first snowfall)

PICKUP WILL FOLLOW STREET CLEANING SCHEDULE

Leaves are to be placed along the curb, but not into the street, before 7:00 A.M. on the scheduled day for your street. Leaves may be bagged but may not include brush, twigs, branches, grass, vines, soft-stem plants, or any other non-vegetative matter or similar materials that would clog the Borough's leaf vacuum. A tarp can be placed over leaves with a weighted item on windy days if you choose. If you see the truck on your street when it is not your pickup day, it is just out spot checking and cleaning street gutters. This is more likely to occur near the end of leaf pickup.

BRUSH PICKUP

MAY 6, 2024 & OCTOBER 14, 2024

Brush, branches, tree limbs, tree trimmings (no bigger than 4" in diameter, and limited to 1 cubic yard—equal to a combined container capacity of 200 gallons) will be picked up curbside. Garden residue, twigs, vines, soft stem plants and weeds (NO grass clippings, roots, dirt or soil debris, or garbage bags) must be placed in moisture-proof, open-top containers capable of permitting materials to be picked up and dumped into a truck (limit of 30 pounds/container). Items are to be placed along the curb, but not into the street, before 7 A.M.
