OTHER PERSONS TO BE HEARD:

A. Chuck Steininger spoke as a representative for his son, Charlie Steininger, who could not be present to discuss his renovation and development plans at 2 S. High Street. Mr. Steininger explained the process of the purchase of the property with plans to build a 600sqft. Apartment above the garage behind the house at 2 S. High Street. He stated the loan plan was based on the known costs for the project. He stated with the Borough's requirement to rerouting the planned connection to sewer as well as potentially having to go through the cost of a land development plan, the costs are becoming prohibitive. C/P Owens stated she would like to see a letter from Charlie submitted to both the Planning Commission and Borough Council explaining his plans for the property from start to finish so everyone involved in the decision process can read and understand what it is he would like to see done to get the property where he wants it.
